## Another Year

It seems that time escapes us no matter how we try to hold onto it. It is as though we blink and in an instant, we travel to another time and place. Was it yesterday when we were young and full of life? Perhaps it was a moment ago when we

were accomplishing things that seemed unreachable. Regardless, here we are entering a New Year. Hopefully it will be a year filled with many accomplishments and fulfillments.

This New Year at the Sun Lakes Jewish Congregation, we will introduce a newly elected Board of Directors mandated to steer this ship of state in the uncharted waters of the future with responsible stewardship. We will also witness a change at the helm as Geri Gould and Wende Levy retire to the challenges of being referred to as “Past Presidents.”

The task is awesome as new leaders and new Board members take their places in directing a congregation that has endured many changes in its over forty-year history. Members have come and gone, and so have its leaders. But we are stronger than ever, and ever more important in the lives of its constituents and the community around us.

It is because of leaders like Geri and Wende, and those who have preceded them, that have ensured the continuity of our presence in the Sun Lakes area and beyond.

So here we are — a New Year not only representing the march of time but also marking several milestones in our life as a congregation as we continue to enjoy each other and marvel at all we have accomplished. And here we are welcoming and encouraging the leadership of our congregation to complete the task assigned them: The care and maintenance of a viable, meaningful congregation of people from all corners of the country and beyond.

Some of us come from traditional backgrounds, some from liberal leanings, and some from no involvement at all. We all join together to create an atmosphere of caring and commitment to Jewish living. And just as we are all different, so are our understandings of faith. That is the strength of who we are.

We have witnessed many occasions this past year: the terror on our streets; the horror of killings in our schools; the continuing plague of a disease that seems to find new life every time we think we have it conquered; the uncontrollable vitriol in the treasured halls of our democracy; the hate-filled rhetoric that gets more difficult each day.

Regardless of the difficulties, we usher in a New Year filled with hope and faith in the betterment of humanity's efforts to ensure a brighter tomorrow. Mazal tov to those who stepped forward to assist us in our quest of Jewish involvement through service to our congregation and our community. Mazal tov to all who strive to improve our lot in life through reasonable discourse and respect for our differences.

Mazal tov to those who understand that diversity is our strength, not our weakness. Mazal tov to those who will succeed in bringing sanity back to our existence.

We must remember that God wants us to find meaning in our lives, and that is why a path was established — the path of justice, and mercy, thoughtfulness, and understanding, love and a true feeling of intimacy for all humanity. God wants us to have a feeling of peace, and friendship, good heart, and good friends, AND the feeling of a decent life.

We all yearn to stand in places of light — we have seen too much darkness. We all need and want hearts free from pain — we have witnessed too much sadness. We all long for arms to enfold us during difficult periods — the arms of a caring and loving God who fills us with opportunity and blessing.

This is what a New Year is all about, and more! Remember, it is the first day of the rest of our lives as we recall the past and pray for the future. 🕯️

# PRESIDENT'S MESSAGE

## SHELLY HENDON

## Happy New Year

Happy New Year to all and your families. I hope and pray that 2022 shines a bright light on all of us.

Many people have congratulated me and thanked me for taking on this leadership role. I do hope that I do justice

to the office and can accomplish the challenges that lie ahead.

And that is where you, as a member of our Congregation, can be of assistance. The members of the Board of Directors can't do everything. They have chosen to be a part of the Board because they care deeply about the future of this Congregation. So, I am asking you to please step forward and offer your services. There is a saying "10% of the people do 90% of the work." Let us not let that be the case here and not say "Been there done that."

Now, a bit of my history, as many of the newer members know little about me. I have been married to my wonderful husband and best friend Arnie for 56 years. We have two children, a son in Colorado and a daughter in Idaho, who between them have given us three wonderful grandchildren. When we moved to Sun Lakes 23 years ago, we had never been involved with a temple. Well, that changed very quickly after one year. Arnie has been in the choir and was the president of the Men's Club for five years. During that time, I became involved with the Sisterhood and Hadassah, serving on both Boards and for two years as president of Sisterhood. I won't bore you with all the various positions that I held. I

so enjoyed being on the Board as president of Sisterhood that when my term was up, I ran for the Congregation Board and two years later became president, at which time I served for two years.

Enough about me. I once again urge you to help this Congregation continue to thrive. We have an amazing spiritual leader in Rabbi Wiener, our outstanding Cantor Ronda Polesky, and our talented accompanist Shea Marshall, as well as a volunteer choir under the direction of Lana Oyer. They all work very hard to make our services so delightful. My deepest thanks to all of you for your dedication.

I have one final request. If you are able, please make every effort to attend our Friday Shabbat services IN PERSON. It's safe to do so as masks and social distancing are required.

I am responsible for asking people to participate in our monthly Erev Shabbat services, so if you want to be a part of the service, please contact me (480.895.8851 or [ahbikes@gmail.com](mailto:ahbikes@gmail.com)) even if you are interested in participating months from now.

Please, if you have any concerns, do not hesitate to call me at 480.895.8851. And if you are new and we haven't met, please let me know who you are by introducing yourself. 🧑🏻

## FRIENDS OF ISRAEL

### GUEST SPEAKER: GINETTE WEINER

Meeting Date: Sunday, January 16, 3 p.m., Zoom

Ginette Weiner will speak on "How to Respond When Facts No Longer Matter." Ginette began her quest for the truth in media and individual reports regarding Israel and antisemitism by correcting the misspoken individuals and organizations. She has been increasingly successful at correcting misstatements, inaccuracies, and lies in the media around the world, such that she has been lauded by CAMERA (Committee for Accuracy in Middle East Reporting and Analysis).

Ginette is a published commentator in Jewish and mainstream newspapers including the *Times of Israel*, and a lecturer on strategies for combating media bias, antisemitism, and BDS. She holds an MSW and a certification in "Understanding Media Bias & Israel Advocacy: Defending Israel from Media Bias," 23rd Mission to Israel, Honest Reporting. She has masterfully demonstrated how one person can make a huge difference in the perception of these vital Jewish issues.

## HAVURAH CHAI JEWISH SINGLES GROUP

Havurah Chai wishes you, in this New Year, to cherish the past year's memories, and live your life each new day full of bright expectancies. We also wish for you happiness with a healthy and happy year, and many more.

Here's a toast to the future, a toast to the past, and a toast to our friends, far and near. In Chai, our friends will soon begin another successful year. To usher in 2022, we celebrate with our Annual New Year's Day Appetizer Party. Work is being done for ongoing events to soon to be a reality.

Havurah Chai is a Jewish Senior Singles group with a monthly luncheon and an event. The yearly dues is your smile. If you are wanting to extend your "friendship" circle and have fun at the same time, you are invited to give us a try.

From our beginning almost seven years ago, Sun Lakes Jewish Congregation has been a huge friend in inviting

us to the monthly Shabbat service on the second Friday of the month. When onegs resume, we have our own oneg tables to gather at and get to know one another.

For more information about Havurah Chai, please contact Lainy Sardina at (480) 895-0974 or [lainysardina@gmail.com](mailto:lainysardina@gmail.com).

Looking forward to meeting new friends!

# SOMETHING YOU MIGHT NOT KNOW

## THE X TROOP

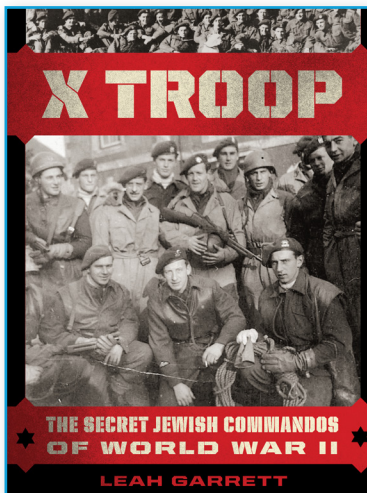

By Murray Siegel

For many centuries, little regard was paid to Jewish military prowess or courage displayed in combat. That changed with the onset of World War II. The British Army formed the Palestinian Regiment, comprised of Palestinian Arabs and Jews who fought in North Africa against the Germans. As the regiment expanded, a Jewish Brigade was formed which fought in battles in Europe in 1944 and 1945.

Then there was the heroism of those Jews who rebelled against the Nazis in the Warsaw ghetto. Outmanned and with lesser weapons, these ghetto occupants used guerilla tactics to frustrate the German Army units. Their success forced the German High Command to transfer units from the Eastern Front to Warsaw. These additional troops soon quashed the ghetto rebellion, but there was no question about the courage displayed by the Jewish fighters.

The U.S. Army had the Ritchie Boys, who were German-speaking immigrants, many of whom were Jewish and

trained in counterintelligence. Their fluency in German and their knowledge of German culture gave them tools to use when interrogating captured German soldiers or local civilians. A recent "60 Minutes" segment highlighted the accomplishments of the Ritchie Boys.

One group of Jewish soldiers, known as The X Troop, was comprised of young Jewish men who had escaped from Austria and Germany to England. When the War started, they were treated as aliens and locked up in internment camps. Somebody realized that they could be assets in the fight against Germany since they understood the language and the people. Unlike the Ritchie Boys, these troops were trained in interrogation techniques and in commando combat. They were both soldiers and counterintelligence operatives.

Their heroism was a secret until the book by Leah Garrett, *X Troop: The Secret Jewish Commandos of World War II*, was published in May of 2021. 📖

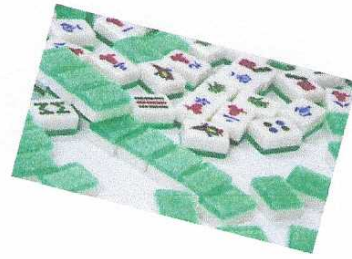

## LONE SOLDIER PROJECT HANUKKAH GREETING CAMPAIGN

The 2021 Hanukkah Greeting Campaign for Lone Soldiers partnered with 24 organizations (includes five new ones), and contact with over 500 individuals, resulting in over 700 cards/ letters going to Israel for Lone Soldiers. Here is a thank you note from the Osey Chail Association that provides housing and support to 100 Heradi young men who chose to join the IDF and are no longer welcome in their families home:

*We cannot thank you and the children enough for the beautiful cards they have prepared for the lone soldiers. Every lone soldier received a package with a gift and essential products. The soldiers received a letter from your children in each pack, and were very thrilled to see them as a surprise. Please thank the kids on behalf of us and the soldiers, and thank you all for being an important part of making this Hanukkah a happier holiday for lone soldiers.*

*With much love and appreciation,  
Gabi Kraus, Ahron Kurtz, and the Osey Chail Family*

# GRIEF SUPPORT GROUP

Next Meeting: Wednesday, January 12, 1 p.m.  
Chapel Center (masks required)

SLJC has started a support group for anyone wanting emotional support dealing with grief. If you have lost someone beloved in your life (i.e. spouse, partner, parent, sibling, child, grandchild, friend), you may be interested in hearing the stories, thoughts, feelings experienced by others and sharing your own feelings. This group might also be useful for those who are in a state of limbo: with a partner who is not living at home and for whom there is little hope that they will return home.

The next meeting of the group will be held Wednesday, January 12 at 1 p.m. at the Chapel Center. Masks are required. During this meeting, the group will decide on a convenient regular meeting time and place for future gatherings.
